Dear Parents and Carers

London Residential Trip

Our London residential trip is not long after we return in September but we just wanted to give you some information and time for the packing process to be a much easier one. I'm sure your children are just as excited as we are – it is going to be a fantastic opportunity to explore our capital city.

Key information:

- The children will not need any spending money for the trip – school will fund a souvenir for each child during the visit.
- Do not allow your child to bring their mobile phone or a camera – these are a safeguarding risk.
- Please can we ask that you pack some healthy snacks for the children to eat for when we are out and about.
- Please can you also ensure your child has a reusable water bottle that we can refill throughout the day.
- The coach is due to leave Nettleton at 6.45am and Market Rasen at 7.00am – please ensure you arrive in plenty of time to allow for putting luggage on the coach, etc.
- No electronic devices of any sort are allowed.
- The children need a packed lunch and drinks for Day 1 to bring with them.
- Any medication needed for the trip needs to be in a bag labelled with the child's name, with instructions, and given to an adult on the morning of the trip.
- Your child will bring home the medical information form (LEV) and below there is a Forms link to complete meal choices. Please complete these and return as soon as possible.
- We will be holding a presentation evening to clarify details in September if you have any further queries.

Finally, below is confirmation of which groups are attending which days (the LEV form will confirm which group your child is in):
