Dear Parent/Carer

Y1/2 Wow Day and Summer Holiday Homework

In September, Year 1 and 2 will be focusing on our new topic – ‘Wonderful Weather’ by observing daily weather patterns, seasonal changes and climate around the world. Our aim is to consolidate all of our learning by performing and recording our own weather forecasts using our prosody and technology skills.

As part of the theme, we will be launching with an exciting ‘WOW’ day on Friday 4th September. If the children want to, they can come dressed as their favourite weather forecaster or type of weather. Please note that this is **not the first day back** at school. It is the end of the first week. During the day, the children will be involved in a variety of activities to begin their topic.

During the Summer holiday, if your child would like to do some project homework, they could research weather in the U.K or a continent. You could design an information poster, create a drawing, painting or a 3D model about the wonderful weather. Be as creative as you like! We look forward to seeing their work on the first day back at school.

Yours sincerely,

Mrs Matthews, Mrs Chapman and Miss Stones
