Dear Parent/Carer,

Y3/4 Wow Day and Summer Holiday Homework

In September, the Falcons, Kestrels and Harriers will be focussing on a Geography theme called “Road Trip around the World”. We will be following the famous book “Around the World in 80 Days”.

As part of the theme, we will be launching with an exciting ‘WOW’ day on Friday 4th September. Please note that this is not the first day back at school. It is at the end of the first week.

During the day, the children will be involved in a variety of activities to launch their topic. They will be making their own passport, identifying and locating the 7 main countries to be visited and designing the “stamp” that they will put in their passport when we “arrive” there on our trip. If they would like to, the children can come to school in clothes suitable for a holiday trip on this day.

During the Summer holiday, if your child would like to do some project homework, they could do some research into a country of their choice. It might be a country they would like to visit or it might be a country they have been lucky enough to have seen first-hand already. They could research the capital city, any famous buildings, the country’s flag, the national food, the currency – whatever they like. They can be as creative as they like with how they present the information – writing, pictures, poster, postcard, on the computer! We look forward to seeing their work on the first day back. Also, if you have any photos of the children in a different place other than Market Rasen, either UK or further afield, could you either email a copy or send a copy in at the start of term. We are going to pin places we have visited on our world map. Teachers’ email addresses are below:
