Queen Elizabeth's Grammar School, Horncastle.

On-Site Parking, Open Evening, Thursday 1st October: 6-8pm

Our students and staff are really looking forward to welcoming you to our school Open Evening to be able to demonstrate and discuss all aspects of school life. We have an extensive tour for you to take around our school to see our classrooms, workshops, laboratories and sports facilities.

In recent weeks the school has benefitted from a major programme of works which will improve both the drainage and flood resilience of the school site – unfortunately these works are still ongoing and are going to significantly reduce the amount of on-site parking that we can offer.

As a result, we will have limited parking on site, on our school field – however we do expect this to fill up quickly. We would request that if you are able to park away from the school site and then walk to school that this will ease the parking situation on the evening. Once the car parking areas are full we will need to turn any additional cars away from the site.

There will be a one-way system in place for traffic entering the site during the evening: we will have signage and a number of marshals around the site to guide you around the one-way system. It will be possible to drop off students and visitors to the site in school, at what is known as the canopy entrance.

Additional parking is available elsewhere in the town, a short walk away from the school. The two closest car parks are located at:

St Laurence Street: one-hour free parking during the day (with a ticket) and then free parking from 6pm (what3words: similar.resurgent.regard).

Tesco (The Bain Car Park): free parking after 6pm (what3words: tile.meant.senders).

We would like to apologise for any inconvenience that this causes, and we look forward to welcoming you to our school on Thursday 1st October.

From all of us at Queen Elizabeth's Grammar School, Horncastle
