Wednesday 4th November 2026

Dear Parents and Carers,

Children in Need 2026 and World Diabetes Day

For Children in Need on Friday 13th November, we have organised a range of activities to raise money for this worthy cause. These events will help children learn about the lives of disadvantaged young people across the UK and understand how we can all help to make a difference.

In addition, on Saturday 14th of November it is World Diabetes Day, therefore as a school we are going to come together and celebrate it on Friday 13th of November. It will be a day full of celebration and raising awareness of a condition that impacts so many around the world.

We would like to invite children to come to school in non-uniform for the day. It would be wonderful for everyone to wear an item of blue (World Diabetes Day) or yellow (Children in Need). We ask for a £1 donation if you are able to contribute. If not, your child is still very welcome to come in non-uniform.

On the day, we will be running "Guess the Name of the Teddy" and collecting pennies in a jar in each class. If your child would like to take part, each name guess will cost 20p. There will be a limited number of Children in Need items for sale at the school office nearer the time.

On Friday 6th November, your child will bring home a Pudsey Bear template. If they wish, they can design and decorate their own Pudsey. Please return all entries by Thursday 12th November. A winner will be chosen from each Key Stage.

We hope you will support our fundraising efforts to raise as much money as possible for Children in Need. We will share the final total after the event, along with posts on our Facebook page.

Yours sincerely,

Mrs Matthews and Mrs Chapman
