

## Church Newsletter – Market Rasen Church of England Primary School – June 2018

Welcome to this term's contribution to the church newsletter. The end of the school year is fast approaching and we are busy as ever with lots of exciting things planned for the children.

On Friday 15<sup>th</sup> June, our Year Five and Six children visited London for the day where they had a fantastic time visiting the Maritime Museum and taking a boat ride along the river. The children had a great time identifying key landmarks such as The Houses of Parliament and the London Eye. Our Year Six children have also started rehearsals for their play, The Lion King, and they are very excited to perform at the Festival Hall in a couple of weeks.

We have recently celebrated our Religious Education week by participating in the I Sing Pop project. The whole school spent the first part of the week learning new songs linked to our Christian values and on Thursday 21<sup>st</sup> June, we held a concert to perform the songs to our parents in the Methodist Chapel. The project has been an amazing success and we now have our own cd of recorded songs that we can continue to sing within school.

On Sunday 24<sup>th</sup> June, we joined the congregation at St. Thomas' Church for our Education Sunday service. Our Collective Worship Council led reading and prayers and we were joined by Jackie Waters-Dewhurst who delivered a reading to the congregation. It is always a special opportunity for our children to participate in events with the church community and we look forward to this continuing in the future.

We look forward to you joining us for many of our productions, events and services in our busy end of term calendar.
