

Church Newsletter – Market Rasen Church of England Primary School – March 2018

Welcome to our Term Four update where we have been up to lots of exciting things over the past few weeks.

Our Year Three and Four children are currently in the middle of their residential visit to Rand Farm Park where they will enjoy the opportunity to experience all aspects of life on a farm and enjoy the amazing opportunities that they will be having.

The children have also been running their exit days cafes in the hall as part of their Young Entrepreneur topic and we have had lots of parents come and sample some delicious cakes and goodies.

We have lots of exit day activities planned across the rest of the school in the coming week. Our Reception children had a great time on their visit to Sundown Adventure Land and enjoyed the rides and meeting the animals. As well as lots of exciting opportunities planned in the school day, we also have lots of after school clubs and opportunities. Our staff work with groups of children across lots of curriculum areas. This edition, our Sports Ambassadors would like to tell you a little about what they do.

Hello from the School Sports and Health Ambassadors,

As you may be aware, we have been running several fun and engaging games on the Key Stage 2 playground for the pupils at our school, these include: Maze Challenge, Chess, Draughts, Bean Bag Toss and Snakes and Ladders. To run these games, we bring the equipment out every break and lunch time. We also monitor the games to see that they are played fairly and within the rules. Lastly, we maintain the equipment and make sure that there is enough for the game to run and it is not damaged.

Going forwards we are looking to extend this to the Key Stage 1 playground, we are also going to expand on the variety of games available. Additionally, there will be competitions for children to enter on and off the playground.

We are looking forward to the rest of the year, we hope you are too.

Sam, Adam, Peter and Stan

Each term, Gareth and Sarah, our local Methodist workers create with the help of the Collective Worship Council a Prayer Space in school so children can write prayers. Children are encouraged to write a prayer for the space and they are shared in Collective Worship by staff, Reverend Steve and the Collective Worship Council.

Have a wonderful Easter and we will have lots more of our exciting curriculum activities to share with you throughout the rest of the year.
