Dear Parents/Carers

Swimming Lesson Contributions

We are very lucky to have our own on-site swimming pool as water safety and learning to swim are essential life skills. The governors agreed a contribution for swimming of £1.40 per session, there are 6 sessions this term at a cost of £8.40. You will understand that the running costs of the pool is very expensive, especially in the current climate of rising gas and electrical prices, and it is only through your contributions that we will be able to continue to offer swimming lessons.

We have been reviewing the payments received from parents this term and unfortunately only 37% of parents have paid for their child's lessons. Sadly, the running of the pool is not sustainable without more contributions. We understand that this is another expense on your already stretched budgets however the provision of convenient swimming lessons from Reception through to Year 6 is a fabulous resource that we don't want to lose.

We would really appreciate it if you could log into your child's [Wisepay account](#) and click on the swimming link to make a payment for this terms lessons.

We have a list of all those parents who have paid, thank you for your contribution, continued support and please ignore this letter.

Please do not hesitate to contact the school office if you need any assistance with this.

Yours sincerely

Andrew Smith
