

Active Maths

This is a **free** course available to all mums, dads, grandparents and carers to take part in with their child.

Would you like to find games to play at home that can help with maths skills?

Would you like to know more about what and how your child is taught?

Would you like to refresh or upskill on your maths?

Want to meet new people?

Our courses are planned to share ideas to support your child's development with fun learning opportunities. An adult-only session is part of the course as well as quality time enjoying activities with your child

We will provide opportunities for you to extend your own knowledge, literacy and numeracy skills and can provide advice for you on progression and accreditation routes for your own learning experience

Course Details
