On behalf of Market Rasen Church of England Primary School

Tuesday 28<sup>th</sup> November 2022

Dear Parents / Carers

As part of a nationwide initiative, Market Rasen Church of England Primary School have been offered the chance to increase the school reading resources through a partnership between local businesses and other community organisations and Usborne Publishing, a highly respected children's publisher.

The children are taking part in a sponsored listening and reading event taking place in December 2022

**We invite you to make a donation to buy a book or books for the schools to increase their library stock.**

They are aiming to collect **£1000** in donations for the Schools, and Usborne will then generously provide an additional **£600** worth of free books on top of this.

All businesses supporting us will receive acknowledgement on our website and Facebook site, and can also request a donor's poster to proudly display at their work place.

We do hope you will take part in this scheme, which will help raise the literacy standards of our community's next business generation.

We have authorised **Sarah Singleton**, our local **Usborne Partner** to coordinate the community book pledge for the schools and we would be grateful if you could contact her directly on 07900 698893 or send any donations to either school for her attention - where the money will be put directly towards books at the Schools.

Kind Regards

Nichola Allerston

Head of School
