Dear Parents/Carers

Head Teacher Newsletter January 2023

Firstly, let me wish you all a very happy new year. I hope that you had a wonderful Christmas and that your child has enjoyed returning to school for the exciting Spring Term.

This newsletter will give you some important information about this term.

COVID19 / STREP A / Scarlet Fever Updates

At present COVID is not having a significant impact on our school however we do understand that there are high transmission rates in the wider community. If you think or know your child has COVID please follow this guidance. <https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19#Children>

Our primary concern at present is the risk of STREP A and Scarlet Fever. With this in mind please don't send your child to school if they feel unwell or have a high temperature. If you feel unwell we'd invite you to wear a face covering when on the school site to reduce potential transmission.

Steps we are taking in school to minimise all of the above illnesses include:

- Regular handwashing
- Enhanced Cleaning
- Ventilating classrooms
- Using CO2 monitors to measure air quality
- Sending home children who appear unwell

If you are unsure if your child should be at school or not please get in touch with the school office.

Staffing

We are very pleased to welcome Ms Willingham who has taken on the role of Eagles class teacher. We are also delighted to welcome back Mrs McGagh to the role of SENCO. Mrs Hassett, who has done a wonderful job covering the role in her absence, will be leaving us on Friday 20th January. We thank her for all of her hard work.

Swimming Pool

As you know, we are working hard to raise money to be able to reopen the school swimming pool for the Summer Term. Having taken up the flooring and removed the pool sides it is clear that there is much more work needed than we first envisaged. We are still hopeful that we will be able to re-open the pool for the Summer Term however this will require more money than we have currently got.

School Uniform

It is lovely to see all of the children back to school looking smart in their uniforms. Can we please ask that if your child wears boots or trainers to school due to weather conditions they have a pair of black school shoes to change into.

Children need to wear their P.E uniform on P.E days. This is a black or blue tracksuit (no logos or brands please), their house coloured t-shirt and trainers.

Adverse Weather

In the unlikely event that we have to close the school due to snow we will notify you via our school website, twitter feed (@northwoldsfed) and the Lincs FM website.

Behaviour Policy

All schools are required to annually make parents aware of the whole school behaviour management policy. In our last full Ofsted Inspection behaviour and safety was judged to be outstanding. To view our behaviour policy please visit our website www.marketrasen.lincs.sch.uk

New E-Safety Scheme of Work

Technology changes all of the time so we have updated what we teach children in regards to e-safety. These changes came about through discussions with teachers, children and parents. [The new curriculum for e-safety can be found here](#)

I hope your child has a lovely Spring Term with us. As ever, please don't hesitate to contact us if you have a query over any aspect of your child's education.
