

Coronation Celebration - Friday 5th May 2023

We will be celebrating the Coronation on Friday with an afternoon tea party. We would like to invite the children to come to school dressed in red white and blue clothing for this day. A paper plate has been issued to all children today to bring home for you to provide snacks for your child to eat during the afternoon, to be brought in on Friday morning. Please be reminded not to send any food containing nuts due to allergies within school.

Plates will not be refrigerated so please take this into consideration with your choice of food. These snacks will be in addition to school lunch. A few biscuits, fruit, cake will be more than sufficient. Children will not be able to share food.
