Carlton Lodge 2023

Dear Parents,

Below is the suggested Kit List for Carlton Lodge Residential taking place in September 2023.

We will be holding a meeting in the new academic year to present all of the exciting aspects of the trip. However, we wanted to send this out early to allow you extra time over the summer to start getting things together in preparation.

Kit List

Please note that the children should not bring any electronic items/devices with them (phones, tablets, hair driers etc.). Children do not need to bring a camera as they will be having too much fun to use them and the adults will take the photos.

All bedding requirements will be provided by Carlton Lodge.
