Dear Parents and Carers

Year 3/4 Residential Trip May 2024

We are at the planning stage of our Year 3/4 residential trip for an exciting experience later this academic year. This is an excellent opportunity to explore important features of our region and link our topic work to our context. As well, it is a brand-new chance to sleep in unique surroundings and we are sure you would agree the children will be very keen on this.

Linked to our Geography and DT Topics we plan to:

Day One

- Leave school
- Take the children on a trail tour of the Humber river
- Visit the Humber Bridge.
- Science and Geography workshop held at Normanby Hall planned.
- Sleep over at The Deep and eat fish and chips for supper.

Day Two

- Activities at The Water's Edge Nature park
- Picnic packed up lunch
- Returning to school later in the afternoon.

For all the above activities and fees, it would be a cost to parents of approximately £86 per child.

To ensure we will have enough children to make this trip viable, please complete this expression of interest [FORMS](#).

Yours sincerely

Katie Taylor-Bailey
