Dear Parents/Carers,

Nation Smile Month Competition

North Wolds Federation are promoting the importance of National Smile Month in both of our federation schools. National Smile Month is a charity campaign all about championing the benefits of having good oral health and promoting the value of a healthy smile.

As part of National Smile Month, the Tooth Fairy has contacted our School Council to ask for some help in decorating their Tooth Castle. They have asked us to find the best drawing and poem for this year's National Smile Month. This year's theme is "Love Your Smile"! Can you create a masterpiece and show us what you love about your smile?

Entries can either be a drawing or a poem. You can send both if you like but each will be judged separately by the Oral Health Foundation. All entries need to be returned to school by Monday 3rd June 2024 at the latest. Please make sure you clearly label your work with your name, age and what class you are in. These can be handed in to the School Council, Ms Lynn or the school office.

This competition is divided into the following two age ranges;

4-7 years

8-11 years

We need all entries back by Monday 3rd June so we can send these to the Tooth Fairy.

We look forward to seeing your entries.

Happy smiling!

Kind regards,
Market Rasen C of E Primary School Council
