Monday 19th May 2025

Dear Parents / Carers

Colour Run - Friday 20th June

After the success of our previous Colour Run, on Friday 20th June, we will be holding our next Colour Run on our school field.

Children will complete a few laps of the colour run circuit and will have powder paint thrown at them at the different stations. The paint is specialist paint created for this purpose. We will stagger the event depending on numbers.

Children can stay and watch until it is their turn. Children can come into school on this day in their colour run clothing to avoid the need for them to get changed and they should wear clothes that you don't mind if they get damaged or stained. White t-shirts are recommended as they will show off the colours much better!

Children will need to be collected at the end of the day and an adult will need to supervise their child for the event.

All Colour Run children will get a medal at the end of the event to thank them for taking part. Children will need to wear some sort of eye protection. These can be supplied by school for £1:50 or by yourselves; safety goggles, sunglasses or swimming goggles are ideal.

Safety information about the products can be found here: [Data Safety Sheet.pdf](#)

This will be a sponsored event. All participants will get a sponsor form closer to the time. Due to the significant costs of running this fun event we ask that every participant raises at least £3.00 but, of course, we will not exclude anyone from taking part due to cost.

If you would like to sign your child up to what is sure to be a brilliant event, please do so using this form. Please complete one form per child. **The deadline for signing up will be Friday 23rd May** so we know how much paint, medals and glasses to order.

<https://forms.office.com/e/NSqHqe6nKC>

We hope that your child would like to participate and has a great time!

Kind regards

Nichola Allerston
