Friday 23<sup>rd</sup> May 2025

Dear Parents/Carers,

**Celebrating Our Diverse Cultures and Faiths – Welcoming Week - 7<sup>th</sup> – 11<sup>th</sup> July 2025**

As a Federation, we strive to create an inclusive environment where every child feels valued, understood, and connected to the world around them. We believe that celebrating our differences strengthens our community and enriches our children's understanding of the world. In line with our Christian vision, we aim to prepare our children to be kind, responsible, and respectful citizens who can make a positive impact in today's diverse society.

As part of our efforts to celebrate and learn about the rich cultural and religious diversity within our school, we would like to invite parents and carers to come in and share their culture, traditions, or religious practices with our children. Whether through storytelling, showcasing music or art, sharing food, or simply talking about your background, your contribution will help our children gain a deeper understanding of the world and how we can all live together harmoniously. We will be holding a 'Welcoming Week' in July where we will be bringing everyone together to plan a timetable of exciting activities.

We would be delighted if you could join us to share your unique heritage with our children. If you are interested in participating, please fill out the form attached to this email.:
