Dear Parents / Carers

Hot meals provision from September 2025

After careful consideration with our Governing Body, the decision has been made to increase the cost of hot school meals to £2.50 a day from September 2025.

Our meals have remained at £2.40 for many years, and we have tried to maintain this going forward. Unfortunately, due to increasing food and running costs, we have no choice but to increase the cost of meals to ensure our meal income covers our outgoings.

Many schools charge more than we do currently for hot school meals, and we will continue to monitor the costings carefully. From September, we will also only be offering the £2.50 option for meals; we will no longer be offering the £1.00 jacket potato option as it isn't sustainable to offer meals at this price and the take up for this option has always been low.

We look forward to continuing to provide our gold menus in September for our children and adults to enjoy.

The menus are now live for ordering for September 2025 onwards, and the **deadline to order for the first week back is midnight on Monday 25th August 2025.**

Please don't hesitate to contact me if you have any questions or queries.

Kind regards
