Learning Together for Life

Dear Parent/Carer

Maths Revision Club

Maths club will be on this week even though other clubs have finished. I am very pleased with the effort that the children have put into this club and in class I have seen an impact with many of the children.

With this in mind, I would like to continue with the club until May. For your children to continue to attend, we require an additional permission slip. The next round of club will start the first Thursday back, 4th January, and will on be until Thursday 10th May.

If your child has not attended this club before, we would really like them to join.

Yours sincerely,

Sam Briston
Class Teacher
