MARKET RASEN

A Jockey Club Racecourse

15/01/18

Dear Parent/Guardian,

Over the next week Years 1-6 will be given the opportunity in their English lessons to enter a competition launched by Market Rasen Racecourse which aims to celebrate all things Market Rasen for their 'Love Market Rasen Raceday' on Sunday 17th February.

Pupils will be working towards a piece of writing that celebrates all that is wonderful about Market Rasen. These will then be submitted to the Racecourse for final judging. The Racecourse will select finalists from each age range, who will be given free family admission to the event, and from these a final overall winner on the day.

All of the entries will be displayed in The Brocklesby Suite for the public to enjoy on Sunday 17th February. In preparation for your child's hard work, Market Rasen Racecourse would like to offer you and your family a special ticket offer for Sunday 17th February to view all of the work created by Market Rasen Primary School.

Tickets are just £5 per adult when booked in advance at thejockeyclub.co.uk/marketrasen using the promotional code LOVEMR. Children under the age of 18 are free of charge when accompanied by an adult.

The Racecourse have said that 'Not only will you enjoy a fantastic day racing, but there is so much more to see and do. This is our first ever Love Market Rasen Raceday which celebrates all that is wonderful about our local community. Racegoers will be able to enjoy a range of activities and entertainment all facilitated by local businesses, services and community groups whilst taking in the excitement and thrills of a day at the races.

There will be a large exhibition marking the rich history of Market Rasen town, MiniKicks football, golf lessons by professionals from Market Rasen golf course, a comprehensive agricultural machinery display to be enjoyed by the whole family, a pop-up market and a demonstration by West Wolds U3A (University of the Third Age).

The Racecourse is looking forward to welcoming you and your family to their event on Sunday 17th February, and we thank them for this opportunity to bring our art and imagination out of the classroom and into the community.

Kind Regards

Andrew Smith
