**Learning Together for Life**

---

Friday 5<sup>th</sup> April 2019

Dear Parents/Carers

### **Holiday Homework & WOW Day**

To continue our successful IPC curriculum after the Easter holiday, the children in Year One and Two will be focusing on a new topic. From April until the May half term, we will be looking at the IPC topic, 'Our World'. We will be learning all about our local environment, our country and extend our learning to look at different countries from around the world.

As part of the theme, we will be launching with an exciting 'WOW' day on Wednesday 24th April 2019. During this day, we will start by looking at our local environment around school and will be taking part in a treasure hunt. We will also be creating artwork using natural resources you would find in the environment. Children may bring resources such as leaves and sticks to help create their artwork on the day. Children are not required to dress up for this day.

To help the children prepare for this unit, for their homework we would like them to either write a fact file based around their favourite country in the world, draw a picture of something that represents their favourite country or bring in photos of countries they have visited. We look forward to learning some interesting facts and hearing all about the countries you have visited!

Yours sincerely

Mrs Roberts, Miss Clarke and Miss Featherstone
