Dear Parents / Carers

Grow Your Own!

This is a free Family Learning course available to all mums, dads, grandparents and carers!

Throughout the year, we have been working closely with Family learning to offer workshops for our parents and children. The focus of the next workshop is Grow Your Own. A tutor will run eight afternoon sessions, which will begin on Monday 13th May from 1.00pm – 3.00pm. The first part of the session will be with parents and second part will involve the children joining in.

There will be an introductory session on Tuesday 30th April from 1.15pm – 3.15pm to give you a taster of the sessions and enjoy trying out different ideas with food.
