The cost for swimming is £1.40 per sessions which provides excellent value for money. **The cost of running a swimming pool is significant so we urge all parents to make this contribution.** If we do not have enough payments swimming sessions will need to be reduced as school budgets are so tight. Please could we ask that you make the donation for swimming via Wisepay. This can either be paid weekly or for the full term. The weeks your child will swim and the respective cost has been worked out for you in the table above.

Without the support of parent and carers helping with the swimming lessons we would not be able to provide the lessons we currently do. If you are able to help with other classes in addition to your child's, all help is greatly appreciated. Please let the school office or Mr Toothill know which classes you are able to assist with.

If your child is ill with sickness or diarrhoea they will be unable to swim for 14 days after the last bout of illness. Please make sure the office know the reason for your child's absence so our health and safety pool policy can be adhered to. **Please note that for health & safety reasons, all earrings must be removed for swimming.** If your child is unable to remove his/her own earrings, please ensure they are removed before coming to school that day.

Yours sincerely

Andrew Smith
