Dear Parents

Feedback and Marking Policy Trial – Term 6

Your child's class is one of those selected for the trial of the new Feedback and Marking Policy. This trial will run throughout Term 6.

Your child will continue to receive exactly the same high quality learning opportunities as always, their progress towards learning goals will continue to be closely monitored, and they will receive verbal feedback on their learning as they usually do during lessons.

The main change that will be noticeable to you is that the marking in books will be changing. We will be moving from our current system of using 'Closing the Gaps' stickers, to a new system involving highlighting positive aspects of the work in green, and areas for development in orange.

We hope that this system will further enhance children's understanding of what they are doing well and what they need to improve.

Please speak to your child's teacher if you have any queries.

Yours sincerely

Andrew Smith

Executive Headteacher
