Learning Together for Life

Monday 24th June 2019

Dear Parent/Carer

FareShare Go Service – Food Parcel Donations

We have been fortunate to have the opportunity to register for the FareShare project which involves local supermarkets supporting their local communities through donations of surplus food and other items.

The idea of the project is that school will receive notification that there is surplus food available on different days (usually Thursday morning) from our local Tesco store which we will then arrange to collect. The items collected will then be shared with our families who have let me know that you would be interested in benefitting from the project.

If you feel you would like to be notified of any food parcel donations that become available, all you need to do is email me at nichola.allerston@marketrasen.lincs.sch.uk

All requests will be treated confidentially and I will contact you to collect items if they become available. Depending on the take up, this may be on a rota system. All food parcels will be available free of charge.

Please don't hesitate to contact me if you would like further information regarding the possible donations available.

Yours Sincerely

Nichola Allerston
Head of School
