Wednesday 17th July 2019

Dear Parents/Carers

### **Times Table Rock Stars**

As a Federation, we have purchased 'Times Table Rock Stars'. This is a fantastic online way to develop the knowledge of times tables and division facts for all pupils in Year 1 to Year 6.

When it comes to times tables, speed and accuracy are important, the more facts your child remembers, the easier it is for them to do harder calculations. Times Table Rock Stars is a fun and challenging programme designed to help pupils master their times tables, as from September 2019 children in Year 4 will be tested on their knowledge.

The children have been handed their usernames and password ready for next academic year and the summer holidays. It will help the children make a flying start to the next academic year if the children play TTRS for 10 minutes 4 times a week. Little and often practice of multiplication facts has been proven to help accelerate progress.

Yours sincerely,

Sam Briston  
Class Teacher
