Dear Parents/Carers

### **Swimming - Autumn Term 1**

Swimming will begin this week and lessons will run up until Friday 18<sup>th</sup> October when we will break for half term. Your child's swimming slot will then be replaced with an additional p.e session until swimming starts again at Easter.

The cost remains at the usual £1.40 per week. We have set this up on Wisepay to enable you to pay in full for the term which we hope you will find much easier. Alternatively you can pay weekly if you require. Please use the same log on you would for ordering hot meals; you will see a tab on the home page for Term 1 swimming and if you click on this it will take you to payment stage. (For children that have just started with us in September – log in details will be provided for you for Wisepay by the end of this week)

Please ensure your child has their swimming kit in school on their swimming day to enable them to swim.

If you are willing to be a parent helper, please let the office or Mr Toothill know which session you can help with. Parent helpers are vital to ensure lessons can go ahead. The lessons run for about an hour to an hour and thirty minutes. You would be assisting with the children, helping at the poolside and depending on the year group, helping them to change etc. A DBS certificate will be requested for volunteers that will be helping the children to change.

Yours sincerely

Katie Taylor-Bailey
