Key Stage One WOW Day

Dear Parents and Carers,

In January, until Easter, the children in Key Stage One will be focusing on a new topic; "Where In The World?" We will be looking at the local area, human and physical geographical features of Market Rasen and the wider area, as well as the four countries of the UK and the continents and oceans of the world. Although this is a Geography based topic, we will also be having dedicated weekly Design and Technology and Computing lessons too.

As part of the theme, we will be launching with an exciting **'WOW' day on Wednesday 8th January 2020**. During this day, we would like to take the children on a local walk around Market Rasen. If you are able to accompany us on the walk, please let us know.

Over the holidays, we would like children to research their favourite place to visit in Market Rasen, draw a picture of their favourite place and include some interesting facts. Children should be prepared talk about this place and share all the wonderful information they have found ready for our WOW Day.

Have a lovely Christmas break.

Many thanks,

Key Stage One Team
