Learning Together for Life

Tuesday 8th September 2020

Dear Key Stage Two parents,

Following our communication yesterday regarding P.E Kits for children in KS2 (copied below) I am pleased to provide all of the days your child will need to come into school in their outdoor P.E kit. If you child has their P.E kit in school we will send this home tonight.

Children in Key Stage One (Reception, Year One and Year Two) will continue to change in class as they have always done.

Kind regards,

Andrew

Dear Parents of Children in Key Stage Two,

Due to the COVID19 crisis we planned for children to get changed in their own bubbles for P.E. We envisaged that boys and girls could change at opposite ends of the classroom for privacy. This was an infection control and to avoid further meticulous cleaning if gender groups got changed in shared areas; as it is we already have extra cleaning before school, mid-morning, mid-afternoon and after school.

Having listened to a small number of children it has become clear that some of our children do not feel comfortable with these arrangements for getting changed. As a school that values pupil voice and cares deeply about their wellbeing we have listened to them and will make the following change from tomorrow.

Children in Key Stage Two should come into school in their outdoor P.E kit on the days they have P.E. They do not need to wear school uniform for any part of that school day.

We have organised additional cleaning today for the Y5/6 classes to enable privacy and to ensure
