Dear Parents/Carers

Parent Consultation Meetings – Autumn Term 2020

As part of our commitment to raising standards in pupil achievement and ensuring pupil wellbeing we will be holding our Parent Consultation evenings on Wednesday 7th October and Thursday 8th October 2020. Please note these dates are different to those published in our most recent newsletter.

During this exceptional year, it will not be possible to hold these consultations face to face; however your child’s teacher will call you at a mutually convenient time. The call will last no longer than ten minutes unless your child is on the Special Educational Needs register in which case they may last up to twenty minutes.

It is only in partnership with parents that we can ensure your child reaches their full potential so we would really encourage parents to book a telephone consultation. If either of these days are inconvenient, please contact your child’s teacher who will arrange an appointment at your convenience.

Please tick the boxes for the days and times you are available for a telephone consultation and return the slip. We will make every attempt to give you the time closest to your choice. Please ensure you tick a different time slot for each sibling.

Yours sincerely,

Andrew Smith
Executive Headteacher

Nichola Allerston
Head of School
