Dear Parents/Carers,

Y5/6 Holiday Homework – A European Country

In our Geography lessons, we have studied the country of Austria. We looked at an outline map of the country and used the clues to name all of the other countries that shared a border with Austria. There were eight in total.

We would like you to find out about another European country of your choice and make an information poster about it.

You could draw a map of the country, draw the its flag, name the other countries that share a border, name rivers and lakes that are found within it and you could tell us about the cities or towns that are there.

Make a five question quiz for someone to complete after they have read your poster.

We will look at the posters and try the quizzes in the first week back.

Year 5/6 Teachers

Our Key Values: Caring, Honesty, Commitment to Achieve, Fairness, Co-operation, Respect
