

Year 3/4 Holiday Homework**Thursday 22nd October**
Please return by **Monday 2nd November****Parent Comment:****During the week, please:**

read and record your reading in your Reading Record. Ask an adult to sign your record. Remember it can be any book you like, not just your school book. (20 mins through the week)

practise a set of times tables. Practise the same set until you know them really well. Use TTRS to help you.
Y3: 2x, 3x, 4x, 5x, 10x
Y4: all times tables.

learn some more of the Y3/4 NC 100 spellings which are on a page in your Reading Record. Get an adult to test you. Test an adult and check how many they can get!

Topic Activity

In our topic, using the book "Around the World in 80 Days", we have visited many different countries in the world – France, Italy, Egypt and currently we're in India.

Think about a country in the world that you would like to visit. It can be anywhere in the world, it does not have to be one we have done work on, or one that is coming up in the book. It might be a country you have visited in the past, or a country you have never been to.

We'd like you to find out some facts about that country and present it in an imaginative, colourful and informative way.

You might:

- Make a poster telling us facts such as the size, the landscape, the capital city
- Make a booklet about famous cities in that country on the computer
- Draw and colour the flag of that country
- Try some of their food, take a photo of it and tell us what it was like
- Make a model of one of the landmarks found in that country
- Do a combination of some of these ideas, or use one of your own ideas.

Please bring your work with you when we come back after the holiday. If you do it on the computer, or have photos, please send them via email to your teacher and we will gladly print them out for display.
