Learning Together for Life

Tuesday 26th January 2021

Dear Parents/Carers

KS2 Football Skills Challenge

We hope you and your children are enjoying the skills challenge videos we are publishing daily. As ever, we are committed to finding new opportunities for children to challenge themselves and progress their skills.

As part of this commitment, we regularly work with the School Sports Partnership (SSP) and various other sporting organisations. Through the SSP, we would like to extend another opportunity for your child to test their skills, this time in football.

I've attached four different footballing skills; your child will need to complete these challenges, and then email myself at Daniel.toothill@marketrasen.lincs.sch.uk with their results. I'll submit these and your child will get a certificate to celebrate their efforts.

We know we have some amazing footballers across our Federation so are hoping for lots of entries, both from boys and girls.

Children currently in School will complete these challenges during their weekly PE sessions.

The closing date for entries is Friday 5th February.

If you have any questions, please do not hesitate to get in contact.

Yours sincerely

Mr D Toothill
Teacher of Physical Education
