Reception online learning

Dear Parent/Carer,

We are writing to say first of all, thank you for all your efforts with the remote learning. It is working really well and it has been lovely to see the progress the children are making through your fantastic communication with us.

As we are getting to that time of year where the children are becoming more independent. We will be starting to upload a Maths and a Phonics form to go alongside the teaching videos, from Friday 29.01.2021. This will contain some questions based on the learning they have done that day in those two subjects and allow us to give more individual feedback. Please complete this form alongside your child.

If you have any questions, please don't hesitate to get in touch

Yours sincerely

Miss Laura Parker

Early Years Foundation Stage Lead
