Dear Parents,

We continue to be amazed with the children's amazing efforts in school and with their remote learning. Thanks once again for all of the support you are giving your children with their education; we know it is not easy.

Live KIT Calls

It was so lovely to see so many of our children on the live KIT calls we hosted on Wednesday. It was so nice to see the children again and to strengthen the relationship between teachers and children who are not able to come in. Our next live KIT calls will be on Wednesday 25th February 2021 between 3.45 and 4.05. If you have already signed up for calls please follow the same instructions next time to join the call. If you would like your child to take part in the next call please [complete this FORM](#) and we will add you in and send you information on how to join the call.

FSM Vouchers

If your child is eligible for means tested Free School Meals you should receive email contact from a company called Wonde on Monday 15th February to access your voucher for half term. Any issues please get in touch.

COVID19 Test

If your child is currently attending school and has a positive COVID19 test within 48 hours of being in school you will need to contact me (andrew.smith@marketrasen.lincs.sch.uk) so we can fulfil our contract tracing responsibilities. Please use the details below to see if you need to report a positive test.

Support

As ever, if you need any help or support please let us know. We have devices if your child needs to borrow one, we have lots of food ready to give out the same day if you need it and our parent support advisor is available should you need her.

Staffing

Today is Miss Clayton's last day with us. We wish her well and all the best for the future and thank her for her hard work in both of our federated schools. Today we also say good bye to Mrs Bell and we thank her for all of her hard work. Miss Clarke will be returning from maternity leave to re-join the Robins' class.

I would like to take this opportunity to say a big thank you to the whole staff team who have worked tirelessly over the last term to ensure all children get the best possible education at this time. Over the last term we have recorded over 700 lessons, made over 1000 keeping in touch calls and made hundreds of calls to children who have needed support with this work in addition to full time teaching of the 120 children we have on site most days. Our site, administration and kitchen teams have been working just as hard to keep our schools running safely. Many thanks to all of those parents who still contact us with lovely messages of thanks and appreciation. The staff really value these.

I hope that you have a lovely half term break. School reopens for children of critical workers and vulnerable children on Monday 22nd February 2021, the same date the remote learning will begin to be uploaded again.

Yours sincerely

Andrew Smith
Executive Headteacher
