Learning Together for Life

Wednesday 1st December 2021

Dear Parents/Carers,

As you are aware, due to the new variant of COVID and the increased national measures, we have made the difficult decision not to invite parents into school for our planned productions, which unfortunately means that we won't be able to have an audience for the planned EYFS and Key Stage One Nativity plays.

As we did last year, we will still go ahead with our performances but they will be filmed and sent to you via a link for you to enjoy.

To record your child and publish this on YouTube we are going to need consent. Please use the link below to give consent. **If we do not hear from you by Friday 5th December we will assume you do not give consent and your child will not take part in the Nativity or be included in the video.**

You should have already received a separate letter from your child's class teacher about what your child will need to wear and bring in for their performance. Please bring these to school in a named bag, no later than Monday 6th December.

Filming will begin on Tuesday 7th December, and the link to the performance will be sent once finished.

Please contact me if you have any questions.

Yours sincerely,

Nichola Allerston
Acting Executive Headteacher
