Learning Together for Life

Thursday 16th December 2021

Dear Parents/Carers,

End of Term Update

As we approach the end of term, I would like to take the opportunity to thank everyone for their ongoing support this term, in what continues to be challenging circumstances.

We have had to make difficult decisions regarding our end of term celebrations and other planned events, a situation we never expected to be in again. As ever, we appreciate your support and understanding.

As you are aware, we find ourselves in an ever-changing situation regarding COVID-19. I will endeavour to keep you up to date with any information over the holiday as much as possible and share any information prior to the children returning in January if any changes need to be made.

Home Learning Survey

In the event that we are told that we have to move to remote learning, we will be continuing with the recorded lessons as we did in the previous lockdowns.

To help us ensure all of our children would be able to access remote learning, we would like to ask you to complete the short Forms by following the link below. This helps us to be able to prepare in advance of any potential changes.

<https://forms.office.com/r/QZJ8juHgv8>

EYFS & KS1 Nativity Performances

We will be sending a link out to yourselves on Friday for the EYFS and Key Stage One performances that your children have been busy recording. We hope you enjoy them and the opportunity to share them with your families over the Christmas period.

Hot School Meals for Term 3

Please can we remind you that the cut off date for ordering hot school meals for the first week back is Monday 27th December at midnight. Please ensure you have ordered your child's meals by this date.

As ever, if you need any help or support or have any questions, please don't hesitate to contact me. Have a wonderful, safe Christmas and we look forward to seeing everyone back at school on **Tuesday 4th January**.

Kind regards

Nichola Allerston
Acting Executive Headteacher
