Learning Together for Life

Thursday 20th January 2022

Dear Parents/Carers,

COVID19 Update

Thank you for all of your help and support during the past few days regarding the increase in positive COVID19 across our school and Market Rasen community.

Every day I have been in contact with the Public Health Team and we are following all of the latest guidance and putting in place everything we can to help reduce the spread of the COVID19 virus.

As we know, the Omicron variant is much more transmissible and it is widely recognised that it is particularly affecting schools as well as the wider public.

Please could you continue to ensure you keep your child at home and book a PCR test if they display any of the recognised symptoms:

We would also ask that you do the following, if you are not doing so already from the updated guidance:

- Recommend all students within the classroom setting to complete 7days of LFD testing

Please could you test your child in the morning or at night time as a precaution from potentially being in contact with children who have tested positive for COVID19.

Tests are available to order at <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

The latest guidance for parents can be found at:

<https://www.gov.uk/government/publications/what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges-during-the-coronavirus-covid-19-outbreak/step-4-update-what-parents-and-carers-need-to-know-about-early-years-providers-schools-and-colleges>

Please notify the office or myself if your child tests positive for COVID19 and we will organise a work pack to be sent out to them.

If you need any help or support regarding LFD tests, please don't hesitate to contact us.

Kind regards

Nichola Allerston

Acting Executive Head Teacher
