**Learning Together for Life**

Thursday 24<sup>th</sup> February 2022

Dear Parents/Carers,

### **COVID-19 Update**

We have received updated guidance from the Department for Education regarding the changes that are being made from today and what that means for schools following the Living with COVID-19 Plan.

To reduce the number of cases in school we will continue to follow the current control measures we have in place which include:

1. Ensuring good hygiene for everyone.
2. Maintaining appropriate cleaning regimes.
3. Keeping occupied spaces well ventilated.
4. Following public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

From the 24<sup>th</sup> February, it is no longer a legal requirement to self-isolate following a positive test however adults and children who test positive or show COVID symptoms are still advised to stay at home and avoid contact with other people. Therefore, and as you would expect, we would ask you not to send your child to school if they test positive for COVID or are showing COVID symptoms and only return when they have had two negative lateral flow tests on consecutive days. We will send work home for them if they are off for this reason. If you are unsure if your child should be at school please contact us.

Please don't hesitate to contact me if you require any additional information.

Thank you for your ongoing support during the pandemic.

Yours sincerely

Andrew Smith  
Executive Head Teacher
