Learning Together for Life

Thursday, 5 May 2022

Dear Parents/Carers,

Year Six SATs Week

As you are no doubt aware, the Year 6 children have their Standard Assessment Tests (SATs) coming up next week. The assessments start on Monday 9th May, ending Thursday 12th May. The timetable for the week is as follows:

Monday 9th May	English Grammar, Spelling and Punctuation
Tuesday 10th May	English Reading
Wednesday 11th May	Maths Arithmetic and Reasoning Paper 1
Thursday 12th May	Maths Reasoning Paper 2

The children are very familiar with the format of the week, as it is the same as our Assessment Week format for Year Six each half term. All tests are carried out during the morning sessions. They will be working in their usual rooms, with their usual group and the Year 5/6 staff.

We would like to invite the children to come in a little earlier so that they have the opportunity to settle into the day, from 8.30 am, each of the test day mornings. We have asked them what 'treats' would make it a little more enjoyable and they have asked for a range of breakfast items including toast, pain au chocolate, croissants and cereals! This will be in the school hall and children will be able to access the food and drinks with their friends. School will provide all of the food and drinks.

Finally, thank you for your support with our after-school booster interventions and Easter School. We feel that the children have worked very hard towards their end of school assessments and their efforts will enable them to leave us ready for their time at their next school.

Kind regards,

Gary Easby
Year 5/6 Team

Michael Mullen

Amber Nuttman
