Monday 16<sup>th</sup> May 2022

Dear Parent/Carer,

### Platinum Jubilee Celebrations – Thursday 26<sup>th</sup> May 2022 - 2.00pm – 3.00pm

On Thursday 26<sup>th</sup> May, Key Stage One will be celebrating the Queen's Platinum Jubilee at school. The children will take part in a range of activities, including performing a song and joining a parade where we will show our crowns that we will make. We are sure that the children will have an amazing time celebrating this historic event.

We aim to develop our knowledge of the Queen and her history. The children will learn that our Queen is Elizabeth II and that she has been on the throne for 70 years. We will develop our knowledge of her family tree and learn about who is next in line for the throne.

The skills they will develop are singing to large audience. We will also be developing our skills with designing and producing our crowns for the parade. The skills of drawing, that we have been working on in Art, will certainly help with this.

Children are invited to wear red, white and blue clothes instead of their uniform on this day. The children will have their school dinner as usual and those on packed lunch will need to bring their lunch with them as usual.

Please can you bring in food for the celebration event to share with your child. If you are unable to attend, please send in a named plate of food. Note this will be in addition to lunch and plates will not be refrigerated so please consider this when sending food in. Please can we also remind you not to bring in any nuts because of allergies.

Please use the Mill Road entrance on arrival and departure. We are looking forward to a lovely day and thank you for your continued support.

Yours sincerely  
Key Stage One Team
